

Instructions for posters

Unfortunately, we will not be able to have a printing service available on-site. However, you can find a print shop within 10-15 minute walk from the conference venue: Impresrapit.

You can contact them in advance to send your poster and instructions, as well as any questions you may have: planos@impresrapit.com or info@impresrapit.com. Although they do not have an English version of the website, you can contact them in English without any problem.

About the specifications, any poster that fits in the attached image panel will be good for us.
